

Tel-A-Sure Program

Seniors' Resource Center's Tel-A-Sure program is designed to provide phone calls to seniors who are living alone, as a way to check on their well-being. A volunteer will call at a designated time, just to say hello and make sure everything is okay.

.....

If you would like to request a call from a Tel-A-Sure volunteer or you would like to volunteer for this program, please call Volunteer Services at 303.235.6937.

SRC has been serving seniors and caregivers in the community since 1978. Over the decades, we have grown our locations and services, and helped thousands of seniors age at home.
