Dates to Celebrate

May 5. Cinco de Mayo

An annual celebration held on May 5. The date is observed to commemorate the Mexican Army's victory over the French Empire at the Battle of Puebla, on May 5, 1862, under the leadership of General Ignacio Zaragoza

May 12. Mother's Day

Everyone has one or has someone who is like a mother to them. On the second Sunday of May, we honor those women who are our mothers. Whether we shower her with gifts, take her to a fancy dinner or make her a homemade card, what moms want most is to be surrounded by the love of their family. Knowing the people, they love are safe, sound and healthy is a mom's number one priority.

May 27. Memorial Day

A United States Federal holiday, is observed each year on the last Monday in May. This day is in honor and remembrance of all men and woman who have died while serving in the United States Armed Forces. Traditionally on Memorial Day, the flag of the United States of America is raised briskly to the top of the staff then solemnly lowered to the half-staff position where it remains until noon. At noon, it is then raised to full-staff for the remainder of the day.
